LIGHT UP THE CITY

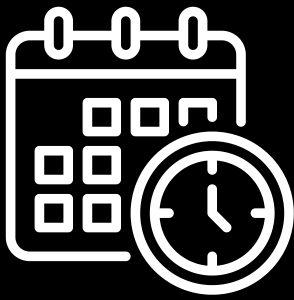

MISSION

Light Up the City was created to empower and inspire people to be a light in their community and represent the love of Christ. It is a revival movement that uses music, sports and conversations to ignite faith and plant seeds. Light Up the City is intended to illuminate hearts and transform cities with the gospel of Jesus Christ. We believe in reaching individuals from all walks of life by giving them an experience that stirs up their faith and builds the confidence to live out their true purpose.

ABOUT BASKETBALL

Ant Lee has been playing professional basketball for 10 years and has played all over the world. A one day, 2 hour, intense skills clinic will be offered as an option to tie together the weekend. This clinic will help fine tune basketball fundamentals while learning advanced team concepts. Participants will leave feeling accomplished physically as well as encouraged spiritually as there will be many opportunities for motivational talks. The goal is to advance both on court skills and ignite a fire in the athletes to know that they are more than their sport and that they are called to serve others through their gifts.

ABOUT CONCERT

The Light Up the City concert brings together multiple Christian artists who are passionate about using their gifts to glorify God and light a fire in those attending. Ant Lee, the headliner of the show, will perform Christian rap while sharing the gospel and words of inspiration between songs. The goal is to instill hope in all those attending and inspire them to go out into the world and exercise their unique talents as disciples. There will be giveaways, snacks, and merchandise available during the show.

SUNDAY MESSAGE & BAPTISM

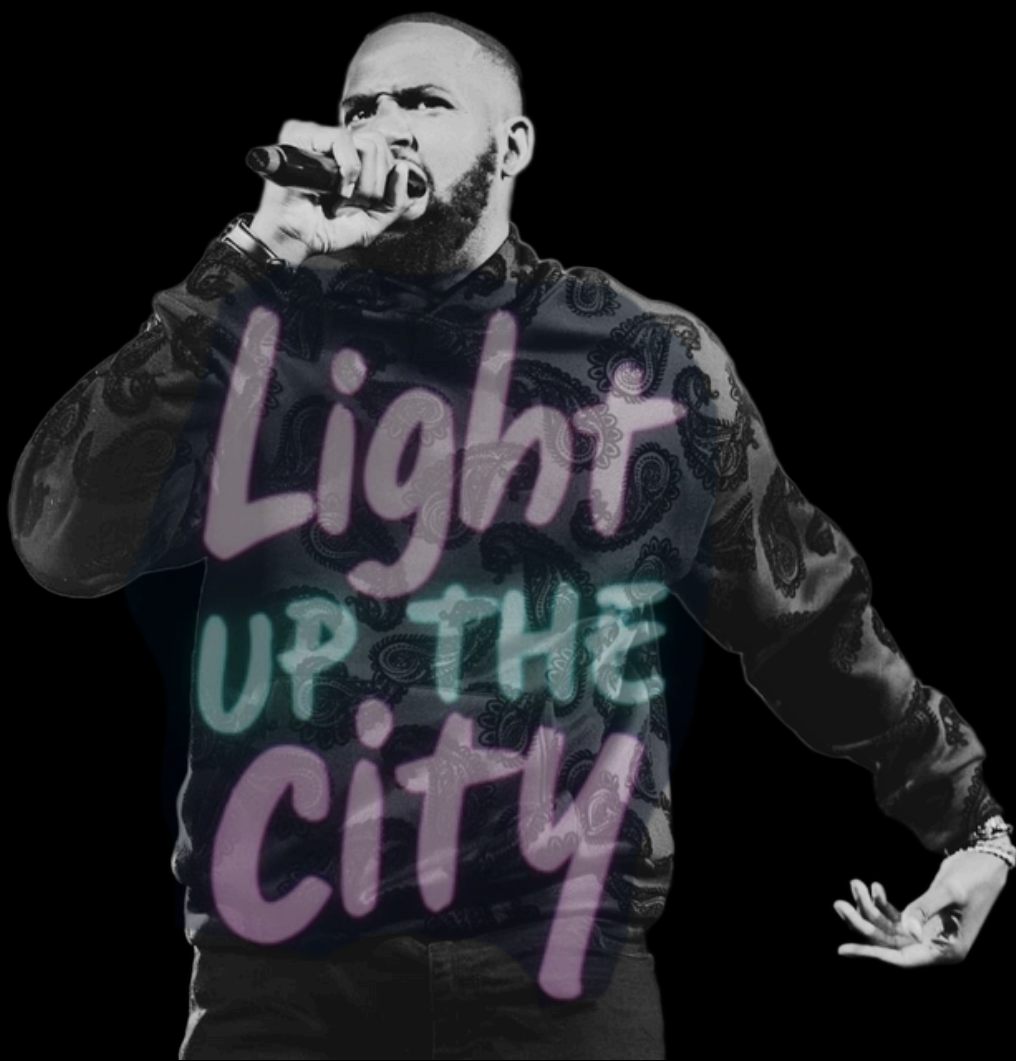

On Sunday, a sermon will be delivered by Anthony Lee as he goes deeper into the message behind Light Up the City and what it means to become a faithful follower of Jesus. This day will also be an opportunity for those to get baptized as they begin their new life in Him.

PARTNERS

Our goal is to partner with churches, mission organizations and venues across North America who are passionate about winning souls and spreading the gospel. Our idea is to work together to leverage space, equipment, volunteers, and additional resources that we need to accomplish the full experience of **Light Up the City** for 200+ people. Our end goal is that, together, we can have an impact on as many people as possible through music, sports, and fellowship.
